Open Letter of Support for the New Badminton Hobart Constitution

To the Stakeholders of Badminton Tasmania,

As committed advocates for the growth, integrity, and sustainability of badminton in Tasmania, we wish to express our full support for the proposed new constitution of Badminton Hobart.

This new constitution represents a significant and positive step forward in modernising the governance and operations of Badminton Hobart. It reflects contemporary best practices, promotes greater inclusivity and transparency, and ensures alignment with the broader governance standards recommended by state and national sporting bodies.

Importantly, the new constitution aims to:

- Clarify roles and responsibilities within the organisation;
- Strengthen governance frameworks and accountability;
- Enable more effective member engagement and representation;
- Facilitate strategic growth and development of the sport at both grassroots and competitive levels.

The adoption of this constitution is not merely an administrative update—it is a reaffirmation of Badminton Hobart's commitment to excellence, sustainability, and service to the badminton community.

We encourage all stakeholders—clubs, members, volunteers, and affiliated organisations—to support this initiative and embrace the opportunities it presents. By uniting behind this important reform, we can ensure a stronger, more agile, and more inclusive future for badminton in Hobart and Tasmania.

Kind Regards
